Additional Transition Day to Support Wrap-up of 2020-2021 School Year

Dear Parents/Guardians,

This week UCC learned that the SCCDSB secondary schools were approved to change our Quadmester 4 calendar to include an additional Transition Day on Friday, June 25, 2021.

Therefore, last Friday of the month has been designated a Transition Day, to assist with the wrap-up of the 2020-2021 school year. Monday, June 28, 2021, which had previously been designated as a Transition Day, is also being reserved for this purpose.

During these two days, students will be able to submit incomplete work and/or complete missed assignments that will be included in their final evaluations for Quadmester 4. **Students do not attend school on these days (June 25 and June 28).**
