Justin Teeuwen: Motivational Speaker and Author of 'It's About Time'

How can Justin's presentation increase our understanding of the Sacrament of Confirmation? When we receive the gift of the Holy Spirit we receive the strength to witness to God's love through our words and our actions. We become the feet and hands of Christ. Justin will help all of us to discover our inner 'gifts' and how we can use them to build the Kingdom of God.

Justin is a published author and international motivational speaker. He is currently on tour for his most recent publication "It's About TIME!". A book which outlines 3 key steps to pursuing and achieving your personal dreams.

Justin will outline the process which will help us discover our inner talents, gifts, motivations and interests. He will help us discern how we can turn our passions into careers that truly reveal the infinite potential God has planned for us.

Justin is also a UCC graduate.
